Greetings Racers,

Hope everyone's well and enjoying this awesome Springtime. My first official duty has been learning to navigate through this website. Now that I've figured how to post whatever I like, we're in for a lot of fun (trouble) now.

This is of immediate IMPORTANCE! My first obligation is forwarding a reminder from our fearless barking leader, the Dawg (alternate wording selected for the *F word, however). Here it is:

Even if you have reservations for SEPTEMBER you need to RE-CONFIRM.... yes you heard that right, RECONFIRM your reservation and get a confirmation # because if you are staying at Hotel Nevada they cancelled all the room reservations for some *messed-up reason at the MAY NORC, so ideally do it NOW and re-check again after NORC which is middle of May!

Thanks for listening,

Get ready, get set, GO... it's a grand racing season!!!!

Over and Out,

Laurie
