EDSEL FORD II WORLD CENTER

Word from Gerry Romack, the current president of the [Pantera Owners Club of America \(POCA\)](#), tells us that Ford has just donated a 5.0 Coyote engine to raffle off at the Pantera Homecoming, Summer Fling event August 10-12, 2017.

### THAT'S NEXT WEEKEND!

The event consists of a tour of the coyote 5.0 engine plant, dinner with Raj Nair, a car show, an open tour of the Edsel Ford mansion with lunch provided and a group/individual picture at Ford HQ

It would seem the Pantera is beginning to get the recognition from Ford that it deserves.
