I had a great time in Fr. Stockton, even saw some Pantera owners from the glory year 2005 when Team Pantera had ten (ten) - yes TEN Panteras run and finish the event. Of course, only 7 of us tropied in 2005.

It was good to see Michael Frazier, though he was tutoring a group of chebbie owners, and visit for a while.

If a picture shows up it will be the trophy winners from the 95 class. Two Pantera owners included! (Mike's S2000, Jack's GT40 and the Miata)

If I can trophy, you can - get off the porch and have a great time!
