Hosted at the Mojave Air and Space Park, this event returns for 2010, dates announced right now include March 6 2010. More information forthcoming on one of two websites:

<http://www.openroadracing.com/index.html>

or

<http://www.mojavemile.com/> (not yet up and running)

As more information becomes available, I'll try to build it up on the TPR web site.
