Team Pantera Racing - Central Division took home a First Place finish in the Loup to Loup challenge. Bud Hower, in a surprise to all, but mostly to him, managed to pull off an amazing win and nearly couldn't get up at the banquet to accept his award.

The entire team is very proud of Bud's win.

While in Arnold this year, the team also presented an certificate of appreciation to Janet Larreau who is the editor of the Arnold Sentinel newspaper. She wrote and published an excellent article on theTPR (Central Division) team @ SORC in 2015. The article was also published in it's entirety in POCA Profiles #4. The Team really appreciats the publicity gained from her article not only in Nebraska but internationally & decided she deserved to be recognized as a friend of TPR.

Mark Skwarek, who has been making both the SORC and the SSCC races for the past few years, is still working on a stronger Pantera every year. This year at SORC in the mile shootout Street Division, there were only 2 cars faster than Mark out of a field of 27 cars. That's pretty impressive for a 43 year old classic Italian-American muscle car.

Congratulations to the Central Division for an awesome race.

Next up, Mark Skwarek takes on the Silver State Classic Challenge, -again-.
