

From Dennis "Mad Dog" Antenucci:

"...if it doesn't inspire you to go fast you are dead already."

The World's Fastest Indian (it's a movie)

The true story of Burt Munro, a motorcycle enthusiast from New Zealand who designs and builds one of the fastest bikes in the world. The story includes his legendary 1967 performance at the famed raceway at Bonneville Salt Flats in Utah where he set the land speed record.

Available at Amazon.com and other video outlets.

One of those rare non-Pantera products that carries the official

Team Pantera Racing Seal of Approval
